DAR CURTIS BONSPIEL

What: The Dar Curtis began in 1947 and allows newer curlers the chance to compete with their peers and tryout their own strategies in a fun, club-based environment. **Pins will be awarded to the winners and runners up of up to four events.**

Who is eligible: Players are usually leads, twos, or new vice skips. Longer-term curlers who are twos and leads may also compete. Both men and women are eligible to compete with no restrictions on the gender order of the teams. Ideally, all curlers would be from same club.

When, Where, and Format: The 74th Annual Dar Curtis will be held at Chicago Curling Club from February 15-16 and will run as a 4-event bonspiel. **Limited to the first 16 teams who sign up.**

No entry fee for MCA members! Participants are responsible for their own food and beverage costs.
